

CARD MANAGEMENT AT YOUR FINGERTIPS

CardValet®

Take control of your finances and enhance security with the latest CardValet® app from Fiserv. This powerful tool puts you in charge, offering the ability to turn your credit cards on or off instantly, set custom transaction controls, and receive real-time alerts for added peace of mind. Whether managing spending limits, monitoring transactions, or staying ahead of potential fraud, CardValet® ensures your cards are protected and your accounts accessible—anytime, anywhere.

Control Spending

CardValet® makes budgeting simple. Set spending limits by amount, merchant type, or location, and easily adjust them anytime via your mobile device. Stay in control wherever you go.

Guard Against Fraud

Protect your credit card with CardValet®. Turn your card off when not in use to block unauthorized transactions, set location-based controls, and receive real-time alerts for added security.

Protect Your Business

CardValet® simplifies business spending. Set controls for merchant codes, locations, and limits to align with company policies. Monitor transactions, review balances, and manage finances on the go.

To get started with CardValet®, follow these simple steps below:

**1**

Download the CardValet® App from your phone's app store.

2

Follow the secure registration to link your cards to the app.

3

Customize CardValet® to set alerts and manage card usage.

100% fully-insured deposits.

Since 1934, BankProv has offered 100% fully insured deposits at no extra cost or complexity to our clients. As a member of both the Federal Deposit Insurance Corporation (FDIC) and the Depositors Insurance Fund (DIF), we ensure your deposits are completely protected, with the FDIC covering up to \$250,000 and the DIF insuring the rest. With us, you're covered no matter where or how you bank.

Get started today!

Download the latest version of the CardValet® app from your phone's app store and take control of your cards anytime, anywhere.
